A \$50 deposit is due at the time of booking. Tinting services take 3 hours so please plan accordingly. Windows must remain rolled up for 5 days after tinting application to prevent immediate damage.

A lifetime warranty is included for the tint as long as you are the owner of the vehicle. Upon vehicle sale, Rojo Car Wash will no longer honor the tinting warranty. The warranty includes peeling, bubbling, and fading of tint. If the tint gets ripped or scratched for any reason, the warranty will be voided and no longer covered for repair.

Tinting options available are 35 and 50. Legally in MA, the tint limit is 35. Some vehicles come with a light factory tint. In this scenario, a 35 tint will make the vehicle illegal. Please let us know if your car has this light tint on it. We do not cover tickets for tints that are too dark.
